

### Gemma

Code NO. **GEM180**

Glass to Glass 180 Degree

### Important Information:

This hinge contains a dual degree pivot pin. The pivot pin is set for normal door closing position. You have the option of altering the closing position of the door 5 degrees inward by utilizing the opposite side of the pivot pin, which has been pre-machined. Special order custom pivot pins are available that can be machined at any angle up to 45 degrees.
